

Apple Cookies

Your basic apple and peanut butter snack can be transformed into something as fun as this "apple cookie" combo. With apples non-traditionally sliced into circles with seeds removed, have fun with adding any nut butter and following toppings for a fueling snack...

- Nuts and seeds
- Berries
- Puffed quinoa or cereal
- Shredded coconut
- Bee pollen
- Cinnamon
- Granola
- Dried fruit
- Chocolate chips

Kids AND adults love this, so make this a family favorite!
