

Almond Butter Popcorn Balls

INGREDIENTS

10 cups popped popcorn
1/2 cup almond butter
1/2 cup local honey
1/4 tsp salt
2-3 oz dark chocolate

INSTRUCTIONS

Heat almond butter, honey, and salt in small saucepan over medium heat. Stir and cook until bubbly. Transfer mixture into a large bowl with the popped popcorn and stir to combine. With wet hands (mixture is sticky), mold 16-20 popcorn balls. Be careful, as mixture is hot! In a small bowl, heat dark chocolate in the microwave in 20 second intervals until melted. Drizzle over popcorn balls and let cool!
