

If you're ready to make a positive shift in the way you live, including your nutrition, exercise, and stress management, you may want to experience the benefits of working with a qualified nutrition professional 1-1 who's dedicated to your health and wellbeing. The more we know about our bodies, our food, and our well-being, the sooner we can recognize that we have a powerful ability to impact the way we feel every day!

## What is a **Registered Dietitian Nutritionist**?

Registered dietitian nutritionists, or RDNs, are **THE** food and nutrition experts, translating the science of nutrition into practical solutions for healthy living. The expertise, training and credentials that back a registered dietitian nutritionist are vital for promoting positive lifestyle choices.
