

MY NUTRITION STUDIO, LLC SELF PAY PROGRAMS AND RATES

INITIAL NUTRITION ASSESSMENT

Includes a one-on-one 45-60 minute comprehensive nutrition assessment. We explore areas of concern, set your nutritional goals and formulate a plan to help you achieve those goals. We recognize that each individual is unique and requires personalized nutritional therapy and coaching. We strive to identify factors such as medical history, genetics, food preference, and intolerance to achieve a dietary regimen that is most effective for you.

\$120

NUTRITION FOLLOW UP

30-45 minutes to discuss progress and any challenges you have encountered with reassessment of diet and lifestyle habits included. When you come back for follow-up visits, your dietitian will provide encouragement and accountability, as well as new ideas to keep the momentum going! Refer to our nutrition therapy packages for a discount on this service!

\$80

BARIATRIC SURGERY NUTRITION ASSESSMENT

A one-on-one 45-60 minute comprehensive nutrition assessment. Clients are coached on the full bariatric nutrition protocol for pre and post-operative metabolic surgery. We recognize that each individual is unique and requires personalized nutritional therapy and coaching. We explore areas of concern, set your nutritional goals and formulate a plan to help you achieve those goals. Follow up frequency is based on dietitian and physician recommendations.

\$100

Purchasing nutrition services in bulk will not only save you money, but will promote successful outcomes with accountability.
